

Metal Treating Institute Midwest Chapter Fall Golf Tournament & Dinner

**September 9, 2010
Geneva National Golf Club**

It's time again for a Golf and Dinner Outing for the Fall Chapter Meeting. MTI will be returning to the beautiful Geneva National Golf Club for golf & dinner. Tee off times for the 4-man best ball scramble begins at 12:30 pm with a box lunch provided, so you can arrive at the course and be set to enjoy an afternoon with the company of old friends and hopefully, meet some new friends. *The question is... WHO IS THE BEST COMPANY FOUR-SOME IN THE MIDWEST CHAPTER?*

At 5:45 pm, golfers will join the rest of the Midwest members for some great food and networking.

Prior to dinner, you will hear from Carolyn Hutsen, Central Region Director for NFIB, one of the largest small business lobbying groups in Washington, D.C.

Carolyn will update members on government actions that could greatly impact your company include:

- Is the New Healthcare Legislation Right For Small Business and What it Means to You
- Where is the Employee Free Choice Act Stand.... Could Labor Unions Still be a REALITY?
- Cap & Trade... What Does It Mean for Heat Treaters.... Try Adding 40% To Your Energy Costs?

The best thing you and your key management can do is be informed on these critical pieces of government actions. One thing is for certain, government is going to be in your business. The question is always... How Much? Don't miss this this chance to get informed.
